

Sunny needs a Home

Sunny is a very playful 1-1/2 year old neutered male rescued from the local shelter. He loves to play with dogs, and loves people. He is OK with our cat but required careful introduction. He has a pretty red coat and lovely eyeliner. He's very personable and wants to be by your side.

Sunny needs an active household with lots of love, and a little training. He knows sit and down. He would make someone a loving and constant companion. He's a bit shy at first, but warms up quickly.

Can you give Sunny a loving home?
